

Hemp Pet Joint & Wellness

Smart Organics' Hemp Pet Joint & Wellness is a comprehensive blend of 100% natural ingredients designed to enhance your pet's joint and bone health and overall well being. Hemp Pet Joint & Wellness contains naturally occurring essential fatty acids, herbs, roots, vitamins, and a **100% whole plant hemp extract** standardized to contain **5 mg of cannabinoids per chewable tablet**. Smart Organics also recommends giving Hemp Pet Joint & Wellness prior to veterinarian visits, long car rides, grooming or traveling as it may assist in calming and soothing your pet's nerves as well as providing the best possible experience for your loved pet.**

The source of this product may be verified by visiting our website, www.smartorganicsinc.com, where raw material and importation documents may be found. Each time a product is produced, it is tested at an accredited third party domestic laboratory to ensure both CBD content and to verify the THC levels meet federal guidelines.
