

Smart Organics Inc.'s CBD Oil CANNAKIDS

Description:

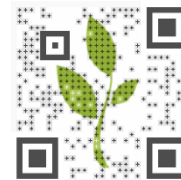

Smart Organics' CBD Oil CannaKids is a mindfully produced formula blended specifically for children. The finest quality hemp is combined with DHA (Docosahexaenoic acid), an omega 3 rich essential fatty acid which may assist in brain function, focus, and concentration.*. DHA is naturally found in breast milk and can also be found in some cold water fish like tuna. Your child will love the delicious and natural strawberry flavor of this carefully formulated supplement, whether it be administered daily or as needed.
