

Smart Organics Inc.'s

Advanced CBD Oil *Calm*

Description:

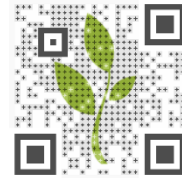

Smart Organics' Advanced CBD Oil Calm with Beta Caryophyllene is produced using the finest quality hemp and is synergistically blended with 100% botanically derived beta caryophyllene, added to improve bio availability and may assist in reducing stress, irritability, and/or muscular discomfort.* Beta caryophyllene is a terpene naturally occurring in black pepper, oregano, hops, and rosemary, known for its ability to target the body's CB2 receptors. The soothing vanilla flavor can be the perfect complement to your daily relaxation. *
